

## Take a walk along memory lane with Chronicle's interactive digital tour of Scarborough's seaside strip.

When you see one of our Hidden History signs on the Blue Street Poles, simply scan the QR code to unlock the content. The Hidden History signs are marked on the map in this brochure for your convenience.

Your digital device becomes a portal to the unheard stories of Scarborough's wild past. Stories of love, tragedy and childhood memories will come to life in this living, breathing archive of Scarborough's history.

Add your own Scarborough stories along the way at the time capsule and memory space.

### How to take the Hidden History Walking Tour:

You will need a smartphone or tablet loaded with a QR reading app such as QR Reader and a pair of headphones to make it a truly immersive experience.

This is a QR code to practice on:

Head on down to Scarborough Beach with an inquisitive mind. We recommend going about an hour before sunset to make it really special.

The self-guided tour takes approximately 50 minutes to complete. There are no limits to the number of people taking the tour. You can do it by yourself or with friends.

Please check out our website or facebook page for latest updates and details of other events and initiatives associated with Chronicle Scarborough.

The Hidden History walking tour is produced by Chronicle Scarborough, a social history project telling local stories in innovative ways. What's your Scarborough story? Share it with us on our website, email, Facebook or Twitter.
